februarie 2017 - Present

- Actively involved in employer branding activities: job fairs, conferences etc.
- Analyzing the requests and needs of the clients
- CV screening and sourcing
- Identifying potential candidates
- Schedule interviews
- Conducting interviews
- Improvement of internal recruitment tools

Internship

decembrie 2015 - ianuarie 2016 (1 lun#)

The main activity at Eltra Logis is domestic and international freight transport.

A 3 weeks internship in which I conducted activities as: goods reception, storage and preparation of documents for freight transport .

Internship

mai 2014 - iunie 2014 (1 lun#)

In this internship, because the firm wasn't a big one and the departments does not really exist, being amalgamated, I had various activities as: I've calculated the necessary of human and material resources in order to realize the quantity of products settled; quantitative and qualitative reception of raw materials and consumables necessary for developing a production process in a properly condition;

I attended the process of recruitment etc.
