

## Registration fee for the admission contest

The registration fee for the admission contest is 100 lei and is paid with the registration for the admission contest.

The following candidates are exempt from the registration fee:

- according to the law, the children of the teaching staff in operation are exempt from the registration fees for admissions in higher education and receive free accommodation in the hostels;
- scholars of the Romanian state;
- orphans of both parents;
- children of heroes and martyrs of the Revolution of December 1989;
- the children of the employees and employees of the University of Pitesti;
- children coming from children's homes or family placements;
- children of teachers in pre-university education.

Exemption from the registration fees at the admission contest is made only on the basis of the original documents for admission to the admission contest and of the documents submitted by the candidates, showing that they belong to the categories listed above.

Exemption from the payment of the enrollment fee for the competition is made only once at the University of Pitesti.
