**3rd International Conference on Emerging Trends and Approaches:
Creative Thinking and Innovation in Knowledge based Economy**

**10-11 November
Pitești, Romania
2017**

The purpose of the ETAEc Conference is to create the opportunity for academics and researchers worldwide to connect and share their recent findings in all aspects of methodological, conceptual, applied or theoretical in the economic fields regarding new trends and approaches in the context of a knowledge based economy. Also, this scientific event aims to become a scientific forum to discuss the most recent trends, approaches and findings regarding new developments in various economics fields, with an interdisciplinary focus in order to bridge the knowledge gaps between theory and practice and promote excellence in economic research.

On behalf of the Organizing Committee, we are pleased to invite you to submit your recent research work to the 3rd ETAEc Conference edition. We welcome submissions in the following economic topics: Economy, History of Economics, Finance, Accounting, Statistics and Financial Analysis, Management, Business Administration, Marketing, Commerce and Tourism, Communication, Management and Marketing in Education, Business Informatics, but also submissions with focus on new trends and approaches in education, health care and industry. Submitted papers will be subjected to a double-blind review process. All accepted papers will be published in the conference proceedings (Special Issue of Scientific Bulletin). The Scientific Bulletin is indexed in: RePEc database and DOAJ database.
