

EuroPass curriculum vitae

Personal information

Surname(s) / First name(s) **Anghelescu Petre**
 Address(es) Dimitrie Onciul, Pitesti, Arges, Romania
 Telephone(s) Office: +40 348 453217
 E-mail(s) petre.anghelescu@upit.ro, petreanghelescu@yahoo.com
 Nationality(-ies) Romanian
 Date of birth 16.06.1977
 Gender Male

Occupational field **Professional engineering/University - teaching and scientific research**

Work experience

<p>Dates</p> <p>Occupation or position held</p> <p>Main activities and responsibilities</p> <p>Name and address of employer</p> <p>Type of business or sector</p>	<p>October 2013 – present</p> <p>Associate Professor</p> <p>Teaching of graduate and postgraduated courses (Cryptography and Information Security, Basics of Artificial Intelligence, Graphics processing systems, Parallel and distributed algorithms, Data structures) and Scientific research in area of interest (artificial intelligence, mainly on bio-inspired systems—cellular automata, self-adaptation, self-organizational systems, and reconfigurable computing).</p> <p>University of Pitesti, Faculty of Electronics, Communications and Computers, Department of Electronics and Computers, Targu din vale, No. 1, 110040, Pitesti, Arges, Romania</p> <p>Education and research, State university</p>
<p>Dates</p> <p>Occupation or position held</p> <p>Main activities and responsibilities</p> <p>Name and address of employer</p> <p>Type of business or sector</p>	<p>October 2009 – October 2013</p> <p>Phd. Lecturer</p> <p>Teaching of graduate and postgraduated courses (Basics of Artificial Intelligence, Graphics processing systems, Parallel and distributed algorithms, Data structures, Computer graphics) and scientific research.</p> <p>University of Pitesti, Faculty of Electronics, Communications and Computers, Department of Electronics and Computers, Targu din vale, No. 1, 110040, Pitesti, Arges, Romania</p> <p>Education and research, State university</p>
<p>Dates</p> <p>Occupation or position held</p> <p>Main activities and responsibilities</p> <p>Name and address of employer</p> <p>Type of business or sector</p>	<p>August 2010 – July 2012</p> <p>Post-Doctoral Researcher</p> <p>Developing algorithms based on cellular automata theory for the protection of information stored or transmitted in network systems. The research focuses on methods of computational and artificial intelligence, mainly on bio-inspired systems—cellular automata, self-adaptation, self-organizational systems, and reconfigurable computing.</p> <p>University of Pitesti, Targu din vale, No. 1, 110040, Pitesti, Arges, Romania</p> <p>Research</p>
<p>Dates</p> <p>Occupation or position held</p> <p>Main activities and responsibilities</p>	<p>February 2006 – October 2009</p> <p>University Assistant</p> <p>Teaching of graduate and postgraduated courses (Data structures and algorithms, Basics of Artificial Intelligence, Parallel and distributed algorithms, Computer graphics) and scientific</p>

research activity in area of interest (artificial intelligence, mainly on bio-inspired systems—cellular automata, self-adaptation, self-organizational systems, cryptography and reconfigurable computing).

Name and address of employer	University of Pitesti, Faculty of Electronics, Communications and Computers, Targu din vale, No. 1, 110040, Pitesti, Arges, Romania
Type of business or sector	Education and research, State university
Dates	January 2007 – December 2007
Occupation or position held	Researcher
Main activities and responsibilities	Research project financed by the Romanian Ministry of Education, Research and Innovation, CNCSIS code: TD 365, No. 35GR/23.05.2007.
Name and address of employer	University of Pitesti, Targu din vale, No. 1, 110040, Pitesti, Arges, Romania
Type of business or sector	Research
Dates	February 2003 – February 2006
Occupation or position held	University Preparatory
Main activities and responsibilities	Teaching of graduate and postgraduate courses, Scientific research activity in area of interest
Name and address of employer	University of Pitesti, Faculty of Electronics, Communications and Computers, Targu din vale, No. 1, 110040, Pitesti, Arges, Romania
Type of business or sector	Education and research, State university
Dates	July 2002 – February 2003
Occupation or position held	Engineer
Main activities and responsibilities	Research in area of Microsystems and Software applications focused on Traffic Control – electronic charged (SUPERTAX 101-FA).
Name and address of employer	S.C. Trion Company, Pitesti
Type of business or sector	Research

Education and training

Dates	26 June 2011 – 17 July 2011
Title of qualification awarded	Graduation Certificate of the summer school: "A New Kind of Science" http://www.wolframscience.com/summerschool/2011/alumni/anghelescu.html
Principal subjects/Occupational skills covered	Complex systems and artificial intelligence, cellular automata / Theory, modeling and simulation of complex systems using Mathematica
Name and type of organisation providing education and training	Wolfram Alpha and Wolfram Research, Curry College, Boston, MA, USA
Dates	01 December 2003 – 07 December 2007
Title of qualification awarded	PhD degree in Engineering Science
Principal subjects/Occupational skills covered	The projection and the analysis of the cellular automata for processing of information
Name and type of organisation providing education and training	University of Pitesti
Dates	October 2002 – June 2004
Title of qualification awarded	MEng degree in Intelligent Communication Systems
Principal subjects/Occupational skills covered	Intelligent communication systems
Name and type of organisation providing education and training	University of Pitesti
Dates	October 2000 – June 2001
Title of qualification awarded	Graduation certificate
Principal subjects/Occupational skills covered	Courses for Computers Programming and English / PC Programming & English

Name and type of organisation providing education and training	Culture House, Pitesti															
Dates	October 1997 – June 2002															
Title of qualification awarded	BSc. degree Engineer															
Principal subjects/Occupational skills covered	Electronics, Communications and Computers															
Name and type of organisation providing education and training	University of Pitesti, Faculty of Electronics, Communications and Computers															
Personal skills and competences																
Mother tongue(s)	Romanian															
Other language(s)																
<i>Self-assessment</i>																
<i>European level (*)</i>																
English	<table border="0"> <thead> <tr> <th colspan="2">Understanding</th> <th colspan="2">Speaking</th> <th>Writing</th> </tr> <tr> <th>Listening</th> <th>Reading</th> <th>Spoken interaction</th> <th>Spoken production</th> <th></th> </tr> </thead> <tbody> <tr> <td>Good</td> <td>Good</td> <td>Good</td> <td>Good</td> <td>Good</td> </tr> </tbody> </table>	Understanding		Speaking		Writing	Listening	Reading	Spoken interaction	Spoken production		Good	Good	Good	Good	Good
Understanding		Speaking		Writing												
Listening	Reading	Spoken interaction	Spoken production													
Good	Good	Good	Good	Good												
	<i>(*) Common European Framework of Reference (CEF) level</i>															
Organizational skills and competences	Experience acquired in industry, research and academics. Research projects coordination. A number of grants funded by Govern and private companies were coordinated in the latest five years.															
Computer skills and competences	Computer programming and engineering simulative environments (C#, C++, Mathematica, Matlab (Fuzzy logic, Neural network, Simulink), Mathematica, OpenGL).															
Other skills and competences	<ul style="list-style-type: none"> • Diploma „Best paper award” received for the paper presented at the 30th International Semiconductor Conference, CAS 2007. • Certificate of merit for young researchers from the University of Pitesti, March 2009, for the best scientific paper published in 2008 in the FECC. • Diploma of Excellence awarded at the International Salon of Inventions, Pro Invent Cluj Napoca (http://proinvent.utcluj.ro/cataloage/Pro_Invent_2013.pdf), for patent named „System with programmable translating radio-rely for IR remote control”, OSIM No.: 126719A0, 19 - 22 March 2013. • Patent: „System with programmable translating radio-rely for IR remote control”, OSIM request no: 126719A0 from 28.10.2010 (<i>work registered in the National Work Register administered by the Romanian Copyright Office</i>). • Member of the following conferences program committee: International Conference for Internet Technology and Secured Transactions (ICITST 2011 - 2016) - http://www.icitst.org/Program%20Committees.html, International Conference on Telecommunications and Signal Processing (TSP 2012-2016) - http://tsp.vutbr.cz/, International Conference on Technical and Physical Problems of Electrical Engineering (ICTPE) (2008 - 2016), http://www.ictpe.com/ictpe.html, Electronics, Computers and Artificial Intelligence, ECAI 2013 - 2016, http://www.ecai.upit.ro/, International Conference on Advanced Technologies for Communications (ATC) (2014-2015) – http://rev-conf.org/atc2015/atc-committees.html, The Advanced International Conference on Telecommunications 2017 – http://www.iaria.org/conferences2017/ComAICT17.html, International Conference on Signal Processing and Integrated Networks (SPIN) (2015-2017) – http://amity.edu/spin2017/Committee.html. • Reviewer for the following ISI journals: <i>Information sciences; Transactions on Emerging Telecommunications Technologies; Journal of Computational Engineering; Journal of Entropy; Journal of Systems and Software; Transactions on Modeling and Computer Simulation, Journal of Nonlinear Dynamics and Chaos in Engineering Systems.</i> • Member in scientific programme committees and reviewer for the following conferences: <i>Conference on Telecommunications and Signal Processing (TSP); International Conference on Signal Processing and Integrated Networks; Conference on Electronic & Mechanical Engineering and Information Technology; ECAI - Electronics, Computers and Artificial Intelligence International Conference; International Conference for Internet Technology and Secured Transactions (ICITST), SPIN, ATC, etc.</i> • Chief Editor at <i>Journal of Electrical Engineering, Electronics, Control and Computer Science (JEECCS)</i> – http://jeeccs.net/index.php/journal/about/editorialTeam. • Expert evaluator for Czech Science Foundation – 2012, 2014 and 2016.
