

ANUNT – Curs Embedded Systems

organizat de Continental Sibiu

In atentia studentilor si masteranzilor din FECC

Continental Sibiu organizeaza la FECC pe durata semestrului 2 din anul universitar 2019-2020 un curs gratuit de Embedded Systems (Sisteme incapsulate) orientat pe Automotive Electronics - Electronica Automobilului.

Toate activitatile didactice sunt gratuite, se vor desfasura doar in saptamanile pare in corpul T si cuprind:

- curs 2h, intre orele 14-16, vineri saptamani pare;
- laborator 4h, intre orele 10-14 sau intre 16-20 (functie de programul studentilor), vineri saptamani pare.

Activitatile incep de vineri 22 februarie 2019.

Cursantii vor primi diploma de participare la sfarsitul cursului si vor avea prioritate la angajarea in Continental !!!

Studentii si masteranzii interesati sa urmeze cursul trebuie sa se inscrie pana pe data de 20 februarie 2019 printr-o solicitare de participare cu datele de contact la adresa de email:

constantin.2.briceag@continental-corporation.com

Alte amanunte in afisul urmator:

If you are...

- ...passionate about C programming and Embedded Systems
- ...willing to shape the future of mobility
- ...looking forward to see how everything comes together in developing the automotive future

**Join Continental Sibiu course organized at the Faculty of Electronics,
Communication and Computers from Pitesti**

Embedded Systems

You will get the chance to learn about:

Modern Microcontrollers | Memories | Automotive communication protocols |
Programming in the Embedded world | Embedded Software Architecture | Automotive applications

The course will start on 22nd of February 2019 and will take place every two weeks.

Every student will receive a participation diploma at the end of the course and will have priority in
the recruitment process.

You can apply...

...until 20th of February 2019 via email at: constantin.2.briceag@continental-corporation.com
