ABOUT THE CONFERENCE

The International Conference on Holistic Horizons in Sport Sciences & Innovative Research (ICHH-SSIR 2026), the very first of its kind organized by Christ college, will be held on 22–23 January 2026. Covering themes in Physical Education & Sports Science, Yoga & Holistic Health, AI & Technology in Sports, Inclusive & Adapted Sports, and Sports Nutrition, it will unite global experts to share knowledge, foster innovation, and shape the future of sports and human performance.

ABOUT THE INSTITUTE

Christ College (Autonomous), Irinjalakuda, established in 1956 by the Devamatha Province of the Carmelites of Mary Immaculate (CMI)—an indigenous religious congregation founded in 1831 by Saint Cyriac Elias—is a pioneer minority institution dedicated to its motto “Jeevitha Prabha” (“Light of Life”). Affiliated to the University of Calicut, the college was conferred Autonomous Status by the UGC in 2015, re-accredited by NAAC with an ‘A++’ grade and accredited by SAAC with an ‘A+’ grade in 2022 and ranked 87th in NIRF Ranking 2025. Rooted in the rich CMI educational tradition, it carries the mission of moulding intellectually competent citizens committed to society by developing individual potential through quality higher education, holistic development, and moral value inculcation.

ABOUT THE DEPARTMENT

Established in 1990 with a UGC-recognized B.Sc. in Physical Education, the Department was restructured as B.P.E. in 1995 under the Government of Kerala and later upgraded to a four-year integrated B.P.E.S. program in 2023 as per the directions of the University of Calicut. It has consistently produced Physical Education teachers, sports professionals, and athletes who have excelled at various levels, contributing significantly to sports and education. With the launch of the M.P.E.S. program in 2024 and recognition as a Research Centre under the University of Calicut in 2025, the Department continues to thrive as a hub of academic and athletic excellence.
