

MEMORANDUM OF UNDERSTANDING

BETWEEN

Department of Gymnastics

Faculty in Białą Podlaska
Józef Piłsudski University of Physical Education in Warsaw
Represented by
dr. hab. Tomasz Niżnikowski, Professor of the University

AND

Doctoral School of Sport Science and Physical Education

National University of Science and Technology Politehnica Bucharest
University Center Pitesti, Romania
Represented by
PhD. hab. Mihaila Ion, Professor of the University

This Memorandum of Understanding is intended to promote international academic, scientific and educational cooperation between the Department of Gymnastics of the Faculty Branch in Białą Podlaska, Józef Piłsudski University of Physical Education in Warsaw, and the Doctoral School Sport Science and Physical Education, National University of Science and Technology Politehnica Bucharest, University Center Pitesti, Romania

The parties, recognizing the mutual benefits resulting from international institutional cooperation, hereby agree to establish this Memorandum for the following purposes:

1. PURPOSE OF AGREEMENT

The purpose of this agreement is to develop scientific, academic and educational cooperation in the fields of:

- sport sciences,
- physical education,
- motor learning and control,
- gymnastics,
- rehabilitation and human performance,
- physical activity and health promotion.

The parties agree to cooperate in their mutual interest for the development of higher education, scientific research and international academic exchange.

2. AREAS OF COOPERATION

Subject to the availability of funds and approval by the authorized representatives of both institutions, the parties agree to develop cooperation through the following activities:

- a) conducting joint scientific research projects;
 - b) cooperation in doctoral and postdoctoral research activities;
 - c) organization of lectures, seminars, symposia, conferences and workshops;
 - d) exchange of researchers, doctoral students and academic staff;
 - e) exchange of scientific information, teaching materials and publications;
 - f) preparation of joint scientific publications and grant applications;
 - g) development of collaborative projects in the field of human performance and physical education;
 - h) promotion of future academic and scientific cooperation opportunities.
-

3. IMPLEMENTATION

3.1.

All programs and activities implemented under this Memorandum of Understanding shall be mutually agreed upon in writing by both institutions.

3.2.

Each institution shall be responsible for financing activities carried out under its authority unless otherwise agreed by the parties.

3.3.

Each party shall designate a coordinator responsible for the implementation and development of collaborative activities.

3.4.

Specific activities may be regulated through separate agreements or annexes when necessary.

4. INTELLECTUAL PROPERTY

Both institutions agree that scientific results, publications and other outcomes arising from collaborative activities shall be appropriately acknowledged and protected according to applicable national and international regulations.

5. DURATION AND RENEWAL OF AGREEMENT

This Memorandum of Understanding shall become effective upon signature by both parties and shall remain valid for an indefinite period unless modified or terminated by mutual written agreement.

6. AMENDMENTS

6.1.

This Memorandum may be amended by written agreement signed by authorized representatives of both institutions.

6.2.

Any disputes arising from the interpretation or implementation of this agreement shall be resolved amicably through mutual consultation and negotiation.

7. TERMINATION OF AGREEMENT

Either party may terminate this agreement by providing written notice three months in advance. Such termination shall not affect activities already initiated under this Memorandum.

8. APPROVAL

In agreement with the above terms of participation, the authorized representatives of both institutions hereby affix their signatures.
