

**To Rector of the University  
of Pitesti, Romania  
Dumitru Chirleşan**

**Dear Dumitru Chirleşan!**

Academy of Physical Education and Mass Sport (hereinafter - APEMS) is a young developing university, located in the capital of Kazakhstan, Astana. From the moment of its foundation to the present time APEMS is one of the main educational, scientific and sports center in the field of physical education and sports in Kazakhstan.

Today, the Academy has all the conditions for quality training of specialists and professional growth of the teaching staff. Students are engaged in comfortable classrooms, train in modern sports halls.

Today, the Academy's task is to keep the traditions of the older generation, multiplying the accumulated positive experience, gradually introduce world standards of education, solve the problems of physical perfection of a person, his spiritual and moral health, show the importance of physical culture in modern society, educate worthy citizens of the Republic of Kazakhstan.

Enhancing the quality of teaching and research is a strategic priority for APEMS. Therefore, APEMS would be honoured to cooperate with the University of Pitesti in terms of science, academic process and mobilities. Thus, we are asking to consider our possible cooperation for strengthening relations not only between our universities but our countries as well.

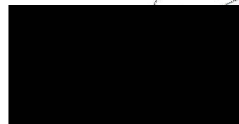

We have prepared a template of the Memorandum with your university (typical general conditions) which you are welcome to correct, if necessary (Annex 1). If you want to suggest your version of the Memorandum, we will be glad to work on it.

Moreover, APEMS expresses its gratitude and intention for establishment of the Erasmus+ cooperation between our universities. Based on our fruitful cooperation within Erasmus+ program we will have a great opportunity to extend our partnership in terms of the exchange programs of students and staff, joint research projects, visiting professors and more.

We are ready to answer all your questions and discuss the details during an online meeting, if necessary.

We are looking forward to hearing from you.

**Vice-Rector for Science  
and International Cooperation**

**Aibol Kulbaev**
