

**If you are...**

- ...passionate about C programming and Embedded Systems
- ...willing to shape the future of mobility
- ...looking forward to see how everything comes together in developing the automotive future

Join Continental Sibiu course organized at the Faculty of Electronics,  
Communication and Computers from Pitesti

## Embedded Systems

**You will get the chance to learn about:**

Modern Microcontrollers | Memories | Automotive communication protocols |  
Programming in the Embedded world | Embedded Software Architecture | Automotive applications

The course will start on 21st of February 2019 and will take place every two weeks.

Every student will receive a participation diploma at the end of the course and will have priority in  
the recruitment process.

**You can apply...**

..until 18<sup>th</sup> of February 2019 via email at: [constantin.2.briceag@continental-corporation.com](mailto:constantin.2.briceag@continental-corporation.com)

LET  
YOUR  
IDEAS  
SHAPE  
THE  
FUTURE
